**EDUCATION**

**Maseno University**
Bachelor of Science in Information Technology
Kisumu, Kenya

Present Kenya Certificate of Secondary Education (KCSE) Homabay Boys Secondary School 2020 – 2023

**EXPERIENCE**

**Atlas Capture**
*Data Annotator | August 2021 – October 2025*

**TELUS International – Atomic Label Project**

- Video annotation.

**TELUS International – Diamond Project**
*Data Annotator*

- Audio annotation.
- Prompt evaluation.
- Image annotation.
- Video annotation.

**RWS – Diamond Project**
*Data Labeller and Annotator*

- Audio annotation.
- Prompt evaluation.
- Image annotation.
- Video annotation.

**FUZU LTD – Kenya**

- Data labelling and annotation for Uber International.
- Image comparison.

**Merco1**
*English Language Translator*

- Translation from US English to UK English.

**SKILLS**

- **Domain Understanding:** Knowledge of subject matter, including language and computer vision, to label data accurately.
- **Attention to Detail:** Ensuring consistent and precise annotations that reduce noise in training data.
- **Data Literacy:** Understanding data formats, schemas, and basic statistics to identify errors or bias.
- **Guideline Interpretation:** Ability to follow and apply annotation rules consistently across datasets.
- **Quality Assurance:** Reviewing and validating annotations to maintain high inter-annotator agreement.

**TOOLS**

- **Annotation Platforms:** Tools such as Label box and CVAT for efficient labelling and collaboration.
- **Version Control Systems:** Git-based tools for tracking changes in annotation guidelines and datasets.
- **Automation and AI-Assisted Tools:** Pre-labelling models that speed up annotation while requiring human verification.
- **Data Management Tools:** Databases and cloud storage systems for organizing large datasets.
- **Analytics and QA Dashboards:** Tools for monitoring annotation progress, accuracy, and consistency.

**LANGUAGES**

- Oromo – Native
- English – Fluent
- Swahili – Fluent

**PERSONAL ATTRIBUTES**

- Strong verbal and written communication skills.
- Strong command of English.
- Excellent attention to detail.
- Proficiency in computer maintenance and troubleshooting, computer user support, and computer performance monitoring.
- Proficiency in Microsoft Office Suite, reservation systems, and relevant software tools.
- Positive attitude, eagerness to learn, and adaptability in a dynamic environment.
- Ability to multitask, prioritize tasks, and manage time efficiently.

- Excellent teamwork, problem-solving, and interpersonal skills.
